Attendance Policy: Notify the coach at least 24 hours before missing practice. Telling the coach the day of practice will count as unexcused. We will work with the school to combat any academic or extracurricular activities.

Tryouts/Playing Time: The entire season should be considered a tryout. All players will be given an opportunity to make an impact on varsity. **PLAYERS** are encouraged to reach out to the coach if they feel they deserve more playing time.

Dress Code: Every player should wear either maroon, white, grey, or silver shirt and shorts to practice and games.

Discipline: We will follow the guidelines set forth in the Northside College Prep Student Handbook.
